Goals of the Encyclopedia

The Sage Encyclopedia of Indigenous Business and Management spotlights Indigenous approaches to business, entrepreneurship, and economics. As Indigenous peoples reclaim political and economic self-determination, business and management play vital roles. This encyclopedia gathers global Indigenous voices to showcase distinct practices and perspectives, offering an invaluable resource for education, business, and communities.

Authors are invited to contribute 1,000–5,000-word entries; Sage Publishing will provide additional guidelines following confirmation of interest.
